

You are requesting copies of medical records for a patient from PIH Health through the TRIMSNet® e-Request website. Integrity Document Solutions, Inc. ("IDS") is contracted to provide on-site release of information ("ROI") services at this facility.

Under California Evidence Code 1158, California healthcare facilities are not obligated to copy medical records pursuant to release of information requests. You may retain your own copy service vendor to copy your requests. However, we would like to suggest that you designate our firm, IDS, as your representative to copy this request for medical records at this facility.

If you wish to expedite this request please take a moment to complete the information requested below and attach it to the required documents being uploaded.

IF WE DON'T RECEIVE YOUR AUTHORIZATION, WE WILL ASSUME THAT YOU ARE SENDING YOUR OWN COPY SERVICE TO OBTAIN YOUR COPIES AND YOUR REQUEST WILL BE CANCELED.
